

1990 COUNTY BLOCK MAP (RECREATED): QUEEN ANNE'S County

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

1 A place name ending in 'CD' indicates that the place is also a false MCD; the false MCD name is not shown.

2 In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts. This map shows the location of the 1990 census tract maps locating a crews-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.

3 A '\*' following a block number indicates that the block number is repeated elsewhere in the block.
